Subject: Electronics Manufacturing Cluster Scheme – “In principle” approval for setting up of a Common Facility Centre (CFC) in Brownfield Electronics Manufacturing Cluster at Pimpri Industrial Area of Pune in Maharashtra.

Sir,

I am directed to convey the “In-principle” approval of the Government of India under Electronics Manufacturing Cluster Scheme (EMC) for setting up of a Common Facility Centre (CFC) in Brownfield EMC project at Pimpri Industrial Area of Pune in Maharashtra with estimated project cost of Rs. 66.10 Crores (excluding land cost) as per the following details:

Name of Applicant	:	M/s MCCIA Electronic Cluster Foundation
Location of EMC	:	Pimpri Industrial Area of Pune in Maharashtra
Area of EMC	:	0.61 Acres
Estimated Project Cost	:	Rs. 66.10 Crores (excluding land cost)

2. This “In-principle” approval is valid for a period of 6 months from the date of issue of this letter, which may be extended by Steering Committee for Clusters (SCC), as found necessary in the best interest of the scheme. The final approval of the project would be subject to achievement of certain milestones as detailed below, within the prescribed period:

- (i) Formation of the SPV
- (ii) Procurement of land for the project
- (iii) Financial Closure of the project
- (iv) Collection of at least 10% of the stipulated financial contribution from industrial institutions/associations.
- (v) Preparation of detailed drawings and designs of the works and their detailed cost estimates.
- (vi) A firm implementation schedule (component/activity wise) specifying milestones and timelines.

3. The eligible activities and break-up of project cost as approved, “in-principle” by the Steering Committee for Clusters (SCC) are as follows:

S. No.	Particulars	Cost (Rs. in Crore)
A.	Building	4.05
B.	Total Physical & Utility Infrastructure Cost	1.05
C.	Total Equipment Cost	60.02
D.	Total Cost (A+B+C)	65.12
E.	Pre-Operatives	0.98
	Total Project Cost (D+E)	66.10

3.1 Means of Finance: Confirmed Means of Finance to be provided by the applicant along with the final application.

4. This “In-principle” approval constitutes of an “in-principle” approval to apply for a formal approval for setting up a Common Facility Centre (CFC) in Brownfield EMC as per EMC Scheme Notification and guidelines. Upon receipt of application for final approval and its due consideration by the Competent Authority that all requirements with respect to the scheme have been satisfactorily complied, a final approval will be issued including sanction for projects approved for financial support that will be available for the said project(s). This “in-principle” approval in itself does not construe any obligation on Government to the said project(s).

5. The applicant needs to fulfill the following requirements by the time of submission of final application :

5.1 **Detailed Roadmap**: The applicant should also provide roadmap on, how the existing units will increase their turnover consequent the project.

5.2 **SPV formation**: The SPV for the project needs to be in-line with the guidelines for ‘Constitution of SPV for Implementation of EMC’ issued by the Department of Electronics and Information Technology (DeitY).

5.3 **Detailed Layout map**: Preparation of detailed drawings and design of works and their detailed cost estimates should be complete.

5.4 **Revenue Model**: The applicant should provide detailed revenue projections and the assumptions used for the Revenue Model.

5.5 **Power and Water Supply**: The applicant should provide confirmation of power availability/ supply from the concerned authorities.

5.6 **Equipment’s Cost**: The applicant should provide the breakup of Equipment’s cost with invoices under Component testing and repairing labs.

5.7 **Environmental Impact Assessment**: Applicant should provide necessary documentation for compliance to all applicable environmental regulations including Environmental Impact Assessment (EIA) Study as per “Technical EIA Guidance manual for Industrial Estates” as published by Ministry of Environment and Forests (MoEF) from time to time.
