Given the experience in the last five years, the GoM have developed the new policy to attract industries to Maharashtra. The objectives of the Industrial Policy, 2013 are:

- ▶ To retain Maharashtra's leadership position in industrial investment within the country
- ▶ To further accelerate investment flow to industrially underdeveloped regions of the state
- ▶ To create more employment opportunities

The Policy targets include:

- ▶ To achieve manufacturing sector growth rate of 12-13 per cent per annum;
- ▶ To achieve manufacturing sector share of 28 per cent of state GDP,
- ▶ To create new jobs for 2 million persons and
- ▶ To attract investments of INR 5 lakh crore (INR 5 trillion)

The validity of the Industrial Policy, 2013 is from 1st April 2013 to 31st March 2018

Some of the major highlights of the policy are:

I. Incentives for Mega Projects

- ▶ Criteria for qualification is based on Investment or employment
- ▶ Further to the threshold limits specified in the earlier industrial policy, a new category of Ultra Mega Projects have been added which includes projects where investment size is greater than INR 1500 crore or employment is greater than 3000
- ▶ Naxalism affected areas, i.e. Gadchiroli, Gondia, Chandrapur,

Bhandara, Yavatmal and Nanded have been included along with the category of No Industry Districts to boost Industrial development

- ▶ Additional incentives will be provided to projects employing minimum twice the threshold number required to qualify as Mega Project at that location
- ▶ Customized Package of Incentives to Mega projects/Ultra Mega Projects on case-to-case basis by the High Power Committee under Chief Secretary and higher incentives/ concessions and relaxing of conditions, on a case-to-case basis will be approved by Cabinet Sub Committee under Chairmanship of the Chief Minister
